Ethics Policy Framework Statement

Our Ethics Policy Framework Statement is based on the principles and values of the University. The Ethics Policy Framework Statement has been adapted from those found in the Second Report of the Committee on Standards in Public Life to be applicable to staff, governors and students of the University, its local campus network, collaborative partners, and to those providing a service to the University. It relates these principles and values to the personal and professional behaviour expected of its staff as specified in the [Middlesex University Values and Valued Ways of Working Framework](#).

_____ framework.

This framework outlines the professional behaviours expected of all staff irrespective of role. Our Middlesex values and valued ways of working guide our decision making; how we work together; with

take decisions in order to gain financial or other material benefits for ourselves. To this end we will declare and resolve any interests and relationships and be honest and offer constructive feedback.

Mutual support

In all our working relationships we treat others with consideration, dignity and respect and build a
